Pa State Board, Religious, and PA FFAI Chairs,

I am proud and honored to serve as your Freedom for All Ireland Chair for the State of Pennsylvania for another term. As of my appointment at the PA State 2023 Convention in Johnstown PA I will now wear two hats – FFAI Chair and Immigration and Education Chair. These two positions are very similar in content and I will try my very best to do justice to both.

Please bear with me as I review our membership list and add the Immigration and Education chairs to my email list. I plan on working on this this weekend and will have everyone entered before our meetings start in September.

The most important part of this position for me and all of you is the information that we gather to keep us aware of the issues currently facing our brothers and sisters in the Motherland. Your main job is to pass information that I have gathered on to your members and to impress upon them the importance of helping Ireland to become One Nation United and Free. Our legislators are adamant in allowing the British Government to tamper with any part of the Good Friday Agreement and stop them from passing the proposed Northern Ireland Legacy Justice Bill. This is currently before Parliament and would be a devastating blow to the victims and their families who have been fighting for justice for the atrocities and murders during the Troubles- Era. This would be in direct violation to the Good Friday Agreement.

Please share with me any concerns or questions you may have and let me know how you are promoting FFAI in your division.

In our Motto,

Kathleen Varady

PA State Board FFAI and Immigration and Education Chair
